• Proposal for sharing best practices among Global Region Chapters & Sections

• Pathforward
Introduction

• Global region consists of 11 chapters and 2 sections spread across the World

• Many chapters of Global Region are doing extremely good and some chapters are progressing at slow pace

• This process is developed to share best practices from outstanding chapters and to share with the the needy chapters & sections

• The objective of this process is to widely spread these best practices among all Global Region Chapters and sections to benefit member community
What is best practice?

(customized to the contest of Global Region)

• Methods, processes or programs that have consistently shown results superior to those achieved by other means in any of the Global Region Chapters / Sections

• Superior outcomes achieved when compared to other Global Region Chapters / Sections

• Business Practices used by other leading ASSE Chapters & Sections of other ASSE Regions leading organizations

• Inputs from ASSE Ambassadors, subject matter experts, bench marking with any other professional organizations to improve the Global Region Chapters / Sections performance
Best Practice Examples
(with respect to Global Region)

There are many examples of best practices and they are constantly evolving with respect to ASSE Global Region Chapters / sections. Some frequently sought after best practices include:

- Member oriented training programs
- Recognition process of Chapter / section volunteers / deserving industry leaders/ contractor companies etc
- Chapter Operations process
- Finance management, account opening etc
- Conducting professional development programs for members
- Engaging with local Government bodies, local community organizations, other professional organizations, local industries etc
- Conducting technical meets/ events etc for the benefit of member community
- Legalization process of ASSE chapter / Sections in line with the local regulations etc
- Any other significant activities/ achievements
A simple process is developed to adopt and donate best practices among Global Region Chapters / Sections

Following stakeholders will be involved in this process (but not limited to):

– ASSE Global Region Vice President
– ASSE Ambassadors
– ASSE Global Region Area Vice Presidents (when appointed)
– ASSE Chapter / Sections Presidents (or their delegated representative)
– ASSE Council of Region Affairs VP / Director
– Any other interested as we progress....
